From: Director, National IRM Center

Subject: Post Conversion Clean-up Area (PCCA) Workshop

As a result of a need identified at the User Functionality Assessment Team meeting held in Denver, Colorado in November, we have scheduled a PCCA workshop for March 10 and 11, 8:30 a.m. to 4:30 p.m. The workshop will be held at the Colorado State Office. The personnel who will actually be doing the clean-up for your State are the target audience. We will need to limit attendance to two people per State. This workshop will address the following areas:

PCCA File (before conversion)

Document Change Requests

Land Associations and Segregations

Possible Data Clean-up Strategies (before conversion)

The closest hotels to the Colorado State Office are the La Quinta Inn at 3301 Youngfield Service Rd, Golden, Colorado, (303) 279-5565 and the Tabor Lake Inn at 12100 W. 44th Ave, Wheat Ridge, Colorado, (303) 467-2400, and of course, all the hotels on Union St. near the National IRM Center. States will be required to pay for travel for this workshop.

If there are any questions concerning the workshop, please contact Russ Cavanaugh at (303) 236-2850.
